ACTIVITIES

Lost wealth may be replaced
by industry, lost knowledge
by study, lost health by
temperance, but lost time
is gone forever.

... Smiles

Homecoming

The seniors worked hard on their float to win third place with "Sock it to'em Mules."

The varsity cheerleaders didn't win anything with their entry except a lot of fun and laughter.

Freshmen started the year off right by winning second place with their float "Raid'em."

GAA's time and effort was rewarded with a deserving first place on their entry "Can'em."

Weekend

The cheerleaders gazed solemnly as the flag was raised during the national anthem.

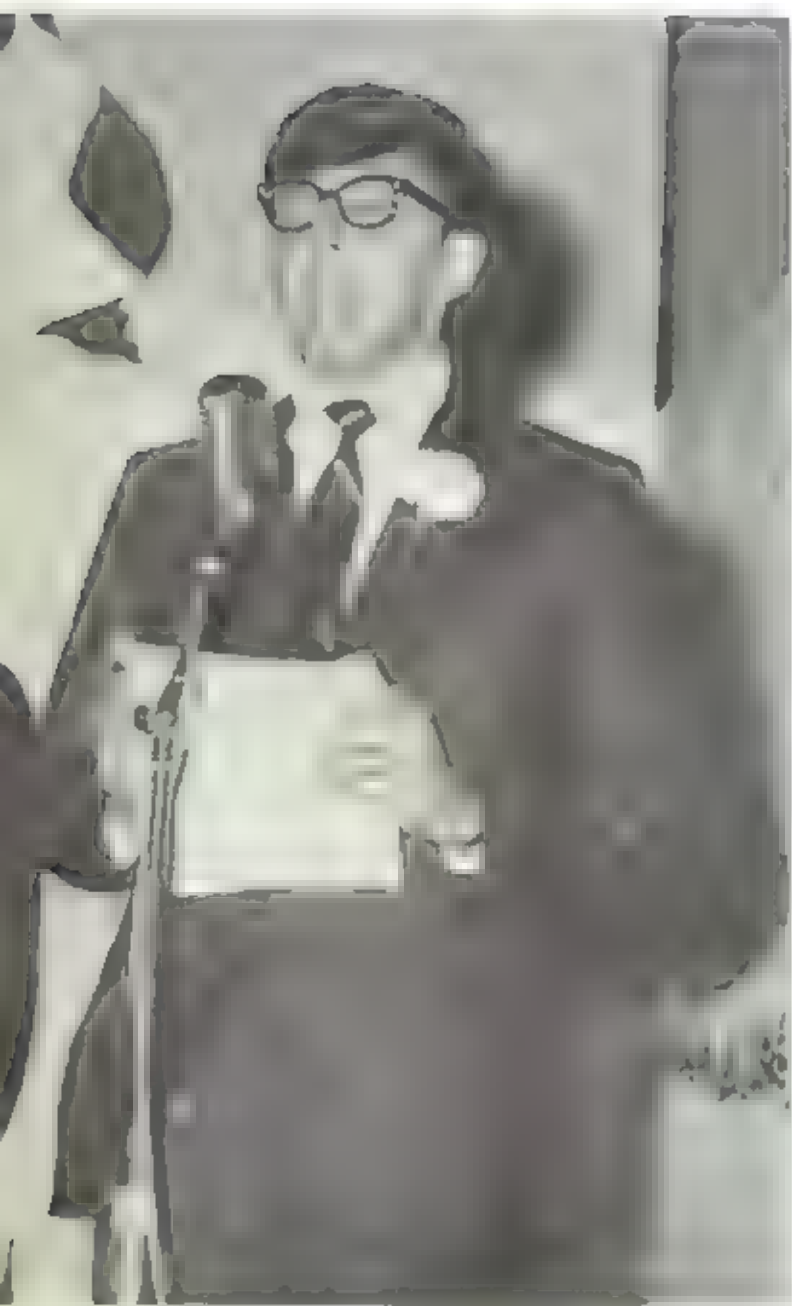

Even though the team was on a losing streak a large crowd turned out to cheer them on at Homecoming game.

It was an exciting game and the boys did their best but the final score was a 53-13 loss for the Mules.

Highlights Of The Dance

Senior Steve Lee made a gracious master of ceremonies at the 1968 Homecoming Dance.

Everyone enjoyed the music provided by a band from Champaign called "The Lykes of Us."

The night sped quickly by as everyone seemed to have a good time dancing.

The finale of the coronation approached as Norman bestowed upon Sherlyn the traditional kiss.

The proud couple then led the attendants and their escorts in the "Queen's Dance" which ended the ceremony.

The background which was painted by Pat Lee and Curt Ulm made a beautiful setting for the Queen and her attendants.

Crowning Of Our Queen

The announcement of the Queen was followed by cries of approval and applause as Co-Captain Norman Taylor escorted Queen Sherlyn onto the floor.

Ernest Peterson, the flower girl and Scott Wood, the crown bearer, gazed with admiration as Norman crowned Sherlyn the Homecoming Queen of 1968.

Although the teachers appeared to have a good time, it seemed they preferred to sit and talk rather than "rock out" on the dance floor.

Although unable to participate, the crowd in the bleachers got a good view of the action.

When the band took a break everyone seemed glad to stop and talk a while and pour down the cokes.

G.A.A. Brings Back Memories of "The Good Old Days"

At this year's G. A. A. Spring Dance the members chose Miss Pat Lee to reign as Spring Queen. Miss Lee's attendants, Miss Johanna Jannings (left) and Miss Sheila Atkinson (right) were also chosen that evening. The theme for this year's dance was that of "The Good Old Days," with boys and girls attired in colonial and Indian costumes.

The night's entertainment was dancing, a few skits, and eating. As you can see eating was the most entertaining.

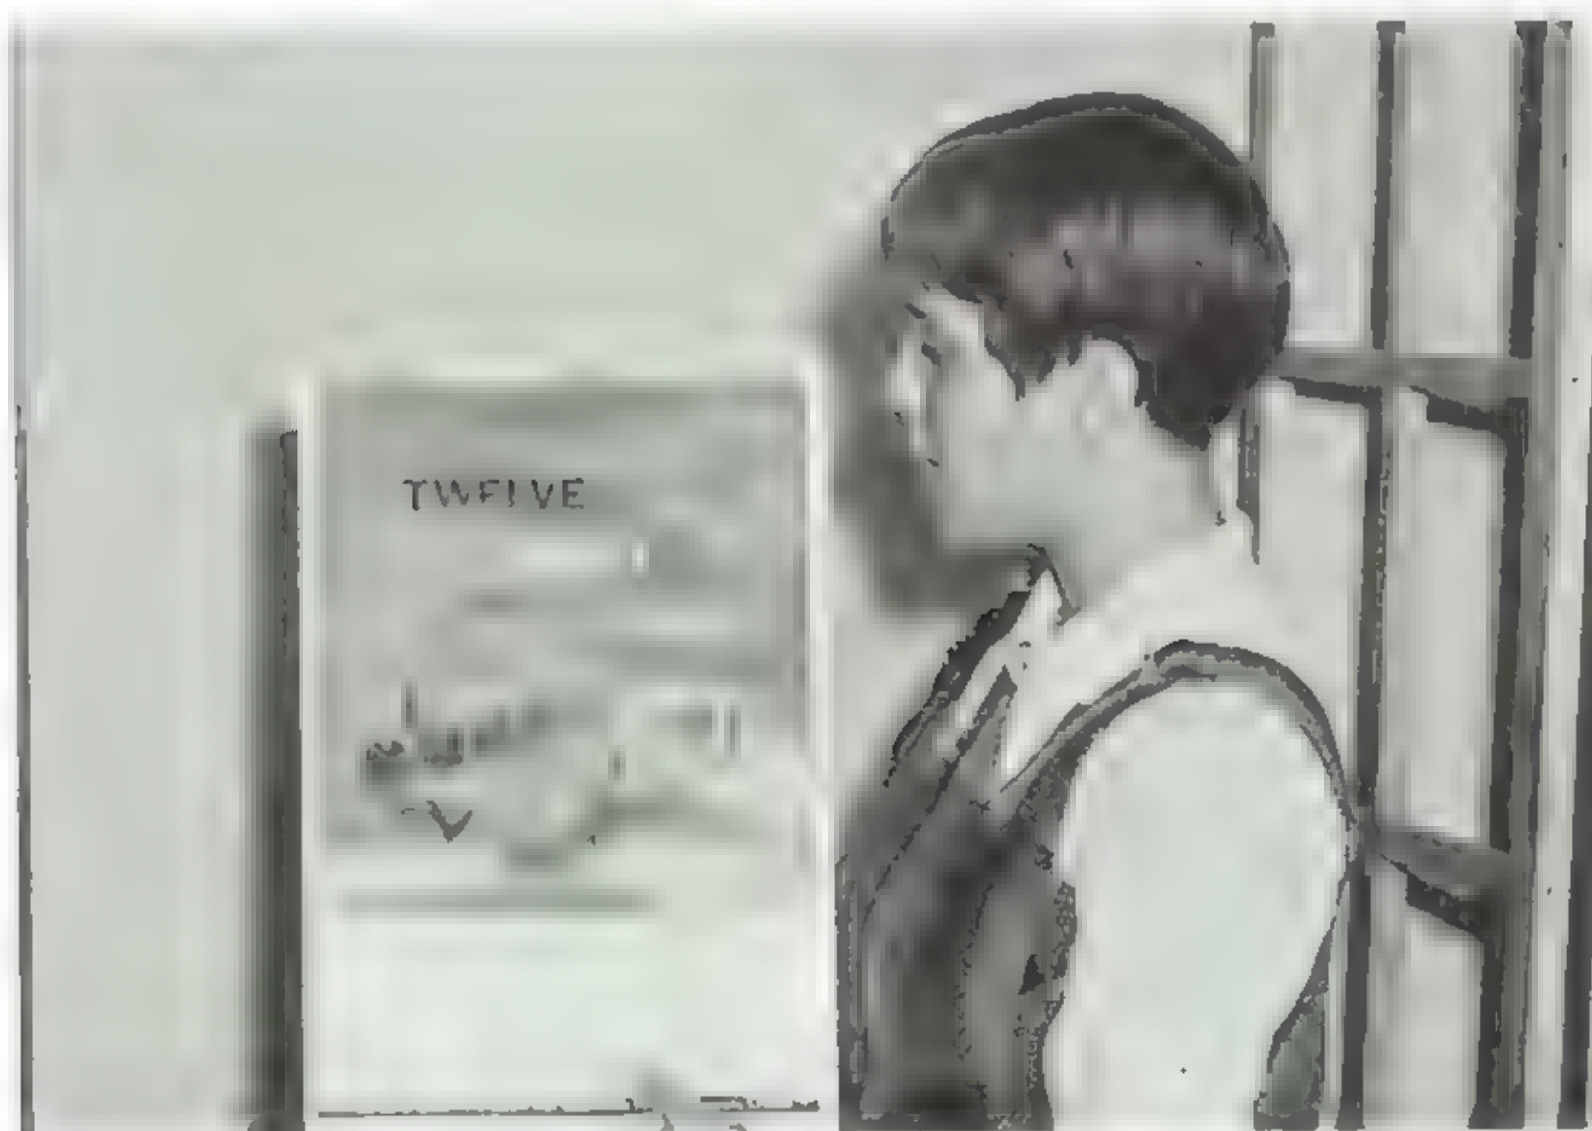

Chief Lex Smith seemed to have a good time with cigar in noon and Susan Wilson by his side.

Frontierwoman, Beth French, was there to tell her many experiences with Indian brew.

"Twelve Angry Jurors"

A play in three acts, "Twelve Angry Jurors," was presented by a cast of Fairfield High School students. Here, Dian Witt, a member of the cast, holds a poster publicizing the play.

A play well done, and never to be forgotten by the cast and audience.

SPRING CARNIVAL

May 2, 1989, was the climax of our annual Student Council Week. The FCHS student body celebrated this with a spring carnival held in the girls' gymnasium. Activities, sponsored by school organizations, were a "Farmer's Daughter," a "fun house," a dunking machine, fortune telling booth, and many other entertaining booths.

"Windy," Pat Molt helped with balloon blowing for most of the night.

"Step right up," says Peggy Durst.

The Marching F.C.H.S. Band

Our marching band put on a pre-game show before every football game this year. We thank them for their time and effort.

Lacking much needed depth and experience, the Mules were also hurt by the loss of Senior Mike Dinsmore during the opening game at Bridgeport and of Junior Bob Anderson in the Olney game, when his leg was broken on a touchdown run.

In his first year, Coach Tickner showed FCMS that his team would fight till the final gun and with more experience next year the Mules can be expected to begin a climb upward in the North Egyptian Conference.

Star Teacher

Mr. Martin, a twenty-four year veteran of F.C.H.S. was chosen "Star Teacher" for the year 1969 by John Belbas. The following is a message to the graduating class of "69" from their former American Government teacher:

My message to graduating students concerning education would be to acquire as much knowledge as possible while in school. I would suggest that a student always try to do a little more than was expected of him. All students are not equal in ability therefore some will attain higher marks than others, but every boy and girl can excel in the most important things attained in life and that is honesty, integrity, punctuality, cooperation, and effort.

Such a student will be a valuable addition to his community and one that will be much sought after by employers.

Mr. Lowell Martin

Star Student

John Belbas was selected by the faculty as star student. This award was presented to John because of his many abilities, academic skills and his pleasant personality toward his fellow students, instructors, and community. We the Reflector Staff wish to extend our congratulations to John Belbas.

CLASS OF '69 RETROSPECTS ...

After four years of study at the secondary level, the members of the Class of '69 realize that they are only a part of an endless stream of students which has flown through high school and will flow in the future ...

Entering the portals of FCHS as a freshman is quite a big step for most. Everything seems so terrifically massive and complicated. The halls are engulfing, the classrooms so far apart and hard to find, the upperclassmen so very unhelpful since they too, were once green.

But when a few weeks have passed and one has memorized his class schedule, learned where all his classes are, and found that there is no elevator for which he might use the ticket upperclassmen sold him, the freshman either settles down to make the most from his high school years or goofs off.

When the Class of '69 leaves the doors of FCHS for the last time what will they leave behind for their followers? Primarily two things will be left - one is memories of how the class has served, bettered, or marred FCHS, the other is the dedicated faculty which has molded a greenie into a graduate. Regrettably, many seniors do not value the methods and the character of their teachers now, but it would be interesting to take a poll of the same persons views ten years from now. Undoubtedly, by then the teachers would have grown more intelligent and more capable.

Somehow, the Class of '69 has made it and all seniors and teachers join in a unison sigh of relief. In the words of Ned Rorem ...

"Nothing is wasted that makes a memory ..."
